The Interim chairman welcomed members to their first meeting and thanked them for appointing him as the interim Chair.

MIN: 4/29/04/2019: APPROVAL OF ANNUAL INVESTMENT PLAN

The Board discussed about the investment plan taking in consideration the proposals from the members of the public during public participation forum. The projects proposed were contained in the approved County CIDP and were approved as follows;

(a) Waste Management

Joseph Maswan seconded the proposal by the stakeholders on waste management. Chelimo Suter further explained about the option of having a tractor with a closed trailer and big litter bins.

(b) Solar lighting

Joseph Maswan proposed that lighting system within the town be increased and stressed the importance of coming up with solar system power generation along the escarpment instead of using Kenya Power & Lighting company electricity supply. He added that this would supply the Municipality and the rest could be sold to K.P.L.C.

(c) Drainage

The Board noted that drainage was important and should be given priority during the current financial year.

(d) Fire station (structure)

After a brief discussion, the Board agreed that there was need for a fire station and fire engines for the safety of the property within the municipality. However members were concerned about the state of the roads before the procurement of fire a truck. They also requested that the road network be looked into in liason with Kenya Urban Roads Authority (KURA) together with current developments.

(e) Walk ways

The Board agreed that walkways be done within the C.B.D.

(f) Construction of Recreational Park

The proposed construction was to be done at the area around view point along Iten Tambach road. The site that was being used as the dumpsite was also included. The dumpsite was to be relocated.

The Public Health Officer Mr. Kore gave an overview on Waste Disposal Policy. He informed the Board that Waste management categories were as follows;

1. Liquid
2. Solid
3. Human bodies

The Board was also briefed on the contents and importance of the document. After a brief discussion and after being proposed by Robert Kiplimo and seconded by Lilian Chesire, the Board Resolved;

- That the draft policy be approved
- That the action plan be prepared and presented to the Board during the next meeting.

MIN: 6/29/04/2019 ANY OTHER BUSINESS

(a) County Assembly

The Board stressed the need for a good working relationship with the county Assembly as proposed by Rose Cherop. This would ease development in the municipality.

(b) Interim Board

Rose Cherop thanked the interim board and the technical team for the work done so far. She also requested that election should be done to have a chair for the Board.

(c) Public Participation

Robert Kiplimo recommended that more public participation meetings should be held in order to engage more with the community.

(d) Calendar of Meetings

Members were informed that a calendar of meetings for the whole year would be provided.

(e) Accountability on project implementation

The Board wanted clarification on who would be responsible for project implementation. The CECM explained that the cabinet approved the projects and the accounting officer was the Chief Officer in charge of the department.
