**THROUGH,**

The County Secretary,  
Elgeyo Marakwet County,  
P O Box 220-30700

**ITEN.**

Dear Sir/Madam,

**RE: CONSULTATIVE MEETING FOR COUNTY COMMITTEES OF LANDS, WATER ENVIRONMENT AND PHYSICAL PLANNING & JUSTICE AND ADMINISTRATION.**

This is to kindly request you facilitation for the above meeting between these two Committees of County Assembly of Elgeyo Marakwet for further consultation and awareness creation and development of the FCPF REDD+ Readiness project. The county executive sincerely regrets the postponement of the earlier planned dates which had to be rescheduled because of the County Assembly Members who were abruptly engaged elsewhere, thus affecting our calendar of planned activities.

Having undertaken several consultative meetings with major stakeholders as well as indigenous communities living in the county, this consultative meeting will facilitate and kick start the process for the county to develop the first Forest Management and Conservation policy, bill and accompanying regulations.

In this regard, we have proposed to invite the two Assembly Committees for an engagement and consultations meeting as from **9<sup>th</sup> October, 2019 to 11<sup>th</sup> October, 2019** at **Royal City Hotel** in **Kisumu**.

Kindly consider our request to enable the County complete the program and move to the next level of engagement. The County Assembly members have requested to be paid full per diem.

Thank you.

ABRAHAM K. BARSOSIO

**CEC-WATER, LANDS, ENVIRONMENT AND CLIMATE CHANGE**
